MWC 2017: LG G6 Announced With Big Screen Water Resistance And Dual Cameras

There looks to be just one thing the rumors were wrong about: the all metal design.. LG spent the last month revealing bits and pieces of the G6 so today's announcement was no surprise.. from <http://www.zdnet.com/article/mwc-2017-lg-g6-announced-with-big-screen-water-resistance-and-dual-cameras/#tag=RSSbaffb68>.
